BSRA Summer Recap

The BSRA stayed busy over the summer and participated in several ways in the Muncie Half Ironman that took place on July 11th . One of our members, Davon Geiger, participated in this event as an athlete and we also had several members volunteer and run an Aid Station for the day. Overall the event was a lot of fun and our group even won the award for best aid station in the competition that took place between the different stations. This event also acted as a fundraiser and we were awarded a grant for helping out.

Fall Semester

We have had a busy start to the school year with several team activities already taking place. We have competed in two races so far, the Illinois State 5k and also our host meet, the MC5. In the Illinois State 5K our number one male was Graduate Student, Jake Crosley and our number one female was Junior, Sarah Garner. For the MC5 our number one male was Junior, Luke Owens and our number one female runner was Sarah Garner. We had a great turn out of members for both of these races and are off to a great season!

MC5 participants

Our annual camping trip was also a great success this year. We had perfect weather for the trip and were able to roast hotdogs, marshmallows and even pizza around the campfire. We had a great time getting to know new members and catching up with old members. After a cold night sleep, we woke up and took a team run and then played some ultimate Frisbee to end the day.

Athlete Spotlight

Suzanne Webber

Our athlete spotlight this month goes to Senior, Suzanne Weber. She is studying Exercise Science and plans on attending graduate school after graduating from Ball State in the Spring. Suzanne has been an active and dedicated BSRA member since her freshman year....and she makes the best chocolate fudge around.

BSRA Season Outlook:

We still have quite a few events taking place to finish up our NIRCA season and our semester.

On October 24th, the BSRA will be heading to NIRCA Regionals, located at Graham Martin Park in Indianapolis, IN. The Men run at 9 a.m. and the Women's race follows at 10 a.m. We will also be competing in NIRCA Nationals, which will be held on November 14th at Masterson Station Park in Lexington, KY. The times for the races have not been determined yet.

Aside from the NIRCA season, the BSRA will be keeping busy with several social events as well; including our annual Ice Skating trip and our Christgiving banquet.
