Recent BSRA news: So far this semester, the Running Club has had the opportunity to compete and participate as a team in several types of events. Both the men and women traveled to the University of Illinois for the annual Illinois Club Relays, where they had the opportunity to race some of the best club track teams in the country. BSRA also had a strong showing at the Sam Costa Half Marathon in Carmel, IN.

Because BSRA is full of kind and caring people, they decided to give back to the community by spending a Saturday morning volunteering to help clean up a soup kitchen here in Muncie.

All of these opportunities have given members the chance to bond and make that Run Club family even stronger!

Athlete Spotlight: Nick Nordmann

This month's Athlete Spotlight goes out to sophomore Nick Nordmann (aka Captain America) for his impressive dedication thus far in the semester. He has been hard at work training for the Flying Pig Marathon this May and the Chicago Marathon coming up in October! He has been balancing his running with being the Treasurer of BSRA alongside his tough course load as an Exercise Science major. When asked what his favorite type of race is, he replied, "Half marathons are like the tightest thing there is. But I haven't run my marathon yet, so that opinion might change!"

Nick Nordmann competes at the Sam Costa Half Marathon.

Upcoming Events: April is a busy month for the Running Club! On April 4th, BSRA will be representing at Ball State's Relay for Life and helping in the fight against cancer. On April 5th, the very next morning, the club will travel to Bloomington, IN to compete at NIRCA Track and Field Nationals! Several members are racing in the half marathon that is hosted alongside the track meet. The club will be volunteering at Second Harvest Food Bank on April 12th.

BSRA will be hosting an Alumni Weekend on Friday April 25th through Saturday April 26th. There will be running, Frisbee, cook-outs, bonfires and discounted hotel rates for those of you traveling far! For details on this event, email Justin Miller at jamiller@bsu.edu or check out the BSRA Alumni Facebook page.
